In his role as a DJ, CJ is truly a worldwide star, sharing stages with some of music's foremost talent. The go-to DJ for an enviable list of artists past and present, CJ's talent has made him an obvious choice of European Tour support for both the mighty **Steve Aoki** and **Ministry Of Sound**, as well as touring with legends Nas and Damian Marley and opening up for the queen herself, **Beyonce**. His recent travels, however, have even seen him DJ for official royalty, having been asked to supply the soundtrack for the royal wedding of the **Crown Prince in Amman, Jordan**.

DJing at the UK's most celebrated venues and festivals, including **The O2, Wembley Arena** and **Glastonbury**, has seen CJ play to packed crowds including 82,000 people at Twickenham Stadium. Furthermore his talent and passion for entertaining has taken him across the globe from **LA** to **Paris** to **Beijing**, and all places in between. When in his home town of London, CJ is not only a DJ fixture in the city's most celebrated clubs, but also its most iconic landmarks as he takes residence in the **British Museum** and the **Tate Modern**.

In his role as a producer, he has elevated his output to a position where he's garnered placements with musical giants **Will Smith, Stormzy** and **Pitbull** and has released on both the legendary **Tiesto's Musical Freedom label** and for the aforementioned **Steve Aoki's Dim Mak Records**. His diverse production skill-set has now seen CJ add **Crystal Palace FC** as a client, as he creates the musical montages for their half-time shows.

TRUSTED BY

CJ is no stranger to working with iconic brands, collaborating with **Levis, Bacardi, Nike, BMW, Casio** amongst many others and for The Brits after-party he realised a personal dream of DJing for **Jay-Z's Roc Nation celebration**. The go-to guy for supporting international talent, CJ has provided bespoke DJ experiences for an enviable and varied list of celebrities from **Davido** to **James Haskell** to **Harry Pinero** to **Heather Mills**.

Hosting shows on both **Radio 1** and **Radio 1Xtra**, CJ is well known as a formidable presenter and familiar face, with TV appearances on not only music outlets such as **MTV** and the **MOBO Awards**, but also household fixtures **Lorraine** and **Hollyoaks**.

This lethal DJ/Producer/Presenter triple-threat has led to him being the ultimate festival, concert, club, corporate and radio slayer, as many generations of euphoric revellers can attest to.
